Bayou City Bells was formed in November 200, as the brainchild of Bill Nave and Barbara Inzer. Since that time BCB has presented several concerts and is working toward obtaining approval as a 501(c)3 organization. They have begun collecting funds to purchase a five-octave set of Schulmerich handbells, as well as continuing to develop their music library. Rehearsals are held on Tuesday evenings at Central Presbyterian Church.

For information about donations, hired performance, membership, rehearsals, or to be added to the roster of interested ringers, please contact the Director, Bill Nave, at 713-520-8710 or at [billnave@gmail.com](mailto:billnave@gmail.com), or Barbara Inzer at 713-572-4186.
